

## About the CPD On-Demand® Service

### A Service for Built Environment Professionals for Continuing Professional Development

The CPD On-Demand® Service is part of the e-CLOUD Construction Suite of Productivity Services. It is available via [www.e-training.co.za](http://www.e-training.co.za), the e-CLOUD CONSTRUCTION website [www.e-cloud.co.za](http://www.e-cloud.co.za), and through the websites of participating Voluntary Associations who operate under the specific Professional Councils serving the Built Environment. e.g. [www.saia.co.za](http://www.saia.co.za)

CPD On-Demand is designed to provide CPD training opportunities for all Built Environment Professionals for earning CPD Credits, irrespective of the nuances of the requirements of each Professional Council and each Voluntary Association. It is available for users 24/7 from anywhere in the world.

Initially the Service is available for Architectural and Project Management Professionals, however other Professions will be catered for over time.

#### Overview

The CPD On-Demand® Service provides an easy to use on-line method of accessing a series of "Study Aids". These "Study Aids" enable the Professional to earn CPD credits relative to his / her profession. 'Study Aids' are developed for each profession served, however many 'Study Aids' are applicable across Professions. Each "Study Aid" is designed to qualify for CPD credits within specific CPD Council Categories.

#### Perceived Benefits of CPD On-Demand to Users

- Convenient online access to CPD Training
- Reduced time spent away from the office attending CPD events
- Reduced costs of obtaining CPD Credits
- More choice of CPD training material ('Study Aids')
- Access to the latest information on the technical application of manufacturers' products (Manufacturers Technical Datasheets)

#### e-CLOUD Construction & e-DOCX

CPD On-Demand® has been developed on the e-CLOUD Construction e-DOCX® platform which is used for the on-line PURCHASE, CREATION, COMPLETION, COLLABORATION and STORAGE of Proprietary Agreements and Documents, such as the PROCSA Suite of Client / Consultant Agreements and the JBCC Contracts. Users registered on e-CLOUD Construction as 'Individual' Users do not have to create a separate account for accessing CPD On-Demand.

#### Study Aids

The "Study Aids" are the basic building blocks of the Service and can be purchased by personal credit card. What is purchased, is the proof that the "Study Aid" has been completed, in the form of a CPD Certificate or Completion Record which is used to claim the CPD Credits. Each Certificate or 'Completion Record' contains the details of the 'Study Aid' completed and the person completing it and is automatically sent to the accreditor..

#### The CPD "Study Aids" with Quizzes

'Study Aids' with Quizzes are provided for the earning of Category 1 or Category A CPD credits. After viewing the 'Study Aid' the User needs to pass an online 10 Question Quiz in order to qualify for the 'Study Aids' CPD Credits,

#### "Study Aid" Types

##### Category 1 or A - Formal Training with testing of knowledge learned

- Registration for Workshops, Courses and online Webinars
- Recorded training videos with Quizzes
- Publications / Technical Papers with Quizzes
- PowerPoint presentations with Quizzes

##### Category 3 – Self Study

- Publications / Technical Papers - Building Agreements & Contracts etc.
- Videos
- Power-Points
- Manufacturer's Technical Datasheets
